Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In the July 20, 2005 Information Disclosure Statement applicants made of record the fact that claims 1-2 and 6-9 of U.S. Application No. 10/717,101 (the '101 application) had been provisionally rejected for alleged obviousness-type double patenting over claim 35 of the subject application in view of Weber et al. (2000) and Rummel et al. (1994). The '101 application issued on March 20, 2007 as U.S. Patent No. 7,192,580 B2. U.S. Application No. 11/671,498 (the '498 application), which is a continuation of the '101 application, was filed on February 6, 2007. A copy of the claims pending in the '498 application is enclosed.

It is believed that no fee, other than the fee set forth in 37 CFR 1.17(p), is required in connection with the filing of this Statement. If any additional fee is required, the Commissioner is hereby authorized to charge the amount of such fee to Deposit Account No. 50-1677.

Respectfully submitted,

/Lewis J. Kreisler/
